

Whether you're a professional who wants to increase your knowledge and credibility through our Master Tech program, the owner or president of a pest control company seeking membership, or a vendor or distributor who'd like to build your network, we believe you'll find what you're looking for here.

KNOW YOUR COLLEAGUES

Build your network of referrals and professional advisors in a supportive community.

ONGOING EDUCATION

Four times per year you'll get our printed newsletter, chock full of educational articles to improve your skills and your business.

EFFECT CHANGE

All WPCA members are invited to be involved on the Board level.

HAVE A VOICE

Legislators in Madison and Washington, DC listen when we talk. There's power in our numbers.

NPMA MEMBERSHIP

Beyond your state membership in WPCA, your dues give you the benefits of the National Pest Management Association also.

CONFERENCE SAVINGS

Take advantage of discounted, member-only pricing for our annual Conference.

FIND A PRO

Increase your visibility to potential customers with a listing in our online directory.

MASTER TECH

Earn the patch that assures your customers of your commitment to quality and safety.

SCHOLARSHIPS

Your college students (children or spouse) are eligible for our two annual \$500 scholarship awards.

Increase
your success
through
membership.

The State of Our Future

Membership in the Wisconsin Pest Control Association is open to the owner or president of any pest control company with a Wisconsin presence, as well as vendors and associates. [Join now at wisconsinpest.com/Join-Us](http://wisconsinpest.com/Join-Us).
